Conference: 2021 Annual Spring Conference

Category: Completed Project Poster - 60-min poster session

Submission Id: 5431

Submission Title: TEST

Please read requirements carefully before completing submission - incomplete information will lead to disqualification.

Why is this session important to family medicine educators? Provide reasoning for why this project and education on this topic are needed. * (Character limit including spaces: 1250)

Learning Objectives: List three using these guidelines

- Clearly describe what participants will take away and be able to implement after the session in active, measurable terms (e.g. - define, interpret, explain, apply)
- Each objective must be concise and written in SMART format (specific, measurable, attainable, relevant, and timely)

Example - On completion of this session, participants should be able to identify and describe the three primary tenets of the Patient Self-Efficacy Model.

First Objective: On completion of this session the participants should be able to... *

Second Objective: On completion of this session the participants should be able to... *

Third Objective: On completion of this session the participants should be able to... *

Please describe project results completed before submission (N/A is not an acceptable response): * (Character limit including spaces: 1250)

References: Include references that support the session content. * (Character limit including spaces: 1250)

Is this proposal an official submission on behalf of one of the following groups: STFM Board, STFM Collaboratives, STFM Special Project Teams, STFM Committees, and STFM Fellowships.
